Terms and Conditions

GENERAL INFORMATION AND KEY TERMS:

All references to "Schwab" in this document refer to the broker-dealer Charles Schwab & Co., Inc. Unless otherwise defined herein, capitalized terms have the same meanings as in your Account Agreement. If you receive any other communication from any source other than Schwab which purports to represent your holdings at Schwab (including balances held at a Sweep Bank) you should verify its content with this statement. Securities, products, and services are not available in all countries and are subject to country specific restrictions.

AIP (Automatic Investment Plan) Customers: Schwab receives remuneration in connection with certain transactions effected through Schwab. If you participate in a systematic investment program through Schwab, the additional information normally detailed on a trade confirmation will be provided upon request.

Average Daily Balance: Average daily composite of all cash balances that earn interest and all loans from Schwab that are charged interest.

Bank Deposit Feature: Schwab acts as your agent and custodian in establishing and maintaining your Bank Deposit Feature as a Schwab Cash Feature in your brokerage account. The Bank Deposit Feature constitutes a direct obligation of the Sweep Bank and is not an obligation of Schwab. For information on FDIC insurance and its limits, as well as other important disclosures about the Bank Deposit Feature, please refer to the Disclosure Statement for Schwab Cash Features available online or from a Schwab representative.

Cash: Any Free Credit Balance owed by us to you payable upon demand which, although accounted for on our books of record, is not segregated and may be used in the conduct of this firm's business.

Dividend Reinvestment Customers: Dividend reinvestment transactions were effected by Schwab acting as a principal for its own account, except for the reinvestment of Schwab dividends, for which an independent broker-dealer acted as the buying agent. The time of these transactions, the exchange upon which these transactions occurred and the name of the person from whom the security was purchased will be furnished upon written request.

Estimated Annual Income: Derived from information provided by outside parties. Schwab cannot guarantee the accuracy of such information. Since the interest and dividends are subject to change at any time, they should not be relied upon exclusively for making investment decisions.

Fees and Charges: For those fees described in the statement as "Fee to Advisor", as authorized by you, Schwab debited your account to pay the fees as instructed by your Advisor. It is your responsibility, and not Schwab's, to verify the accuracy of the fees. Margin interest charged to your account during the statement period is included in this section of the statement.

Interest: For the Bank Deposit Feature, interest is paid for a period that differs from the Statement Period. Bank Deposit Feature balances include interest the Sweep Bank paid as indicated on your statement. Bank Deposit Feature balances do not include interest that may have accrued during the Statement Period after interest is paid. The interest paid may include interest that accrued in the prior Statement Period.

Interest accrues from the second-to-last business day of the prior month and is posted on the second-to-last business day of the current month. If, on any given day, the interest that Schwab calculates for the Free Credit Balances in the Schwab One Interest Feature in your brokerage Account is less than \$.005, you will not earn any interest on that day. For Bank Deposit Feature balances held at a Sweep Bank, the interest will accrue even if the amount is less than \$.005.

Latest Price/Price (Investment Detail Section Only): The most recent price evaluation available on the last business day of the statement period, normally the last trade price or bid. Unpriced securities denote that no market evaluation update is currently available. Price evaluations are obtained from outside parties. Schwab shall have no responsibility for the accuracy or timeliness of any such valuations. Pricing of assets not held at Schwab is

CT8L5805-003397 338797

for informational purposes only. Some securities, especially thinly traded equities in the OTC market or foreign markets, may not report the most current price and are indicated as Stale Priced. For Limited Partnerships and Real Estate Investment Trust (REIT) securities, you may see that the value reflected on your periodic statement for this security is unpriced. NASD rules require that certain Limited Partnerships (direct participation programs) and REIT securities, that have not been priced within 18 months, must show as unpriced on customer statements. Note that these securities are generally illiquid, the value of the securities will be different than its purchase price; if applicable, that accurate valuation information may not be available.

Margin Account Customers: This is a combined statement of your margin account and special memorandum account maintained for you under Section 220.5 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account as required by Regulation T is available for your inspection. Securities purchased on margin are Schwab's collateral for the loan to you. It is important that you fully understand the risks involved in trading securities on margin. These risks include: 1) You can lose more funds than you deposit in the margin account, 2) Schwab can force the sale of securities or other assets in any of your account(s) to maintain the required account equity without contacting you, 3) You are not entitled to choose which assets are liquidated nor are you entitled to an extension of time on a margin call, 4) Schwab can increase its "house" maintenance margin requirements at any time without advance written notice to you.

Non-Standard Assets: All assets shown on this statement, other than certain direct investments which may be held by a third party, are held in your Account. Values of certain non-standard assets may be furnished by a third party as provided in Schwab's Non-Standard Asset Custody Agreement. Schwab shall have no responsibility for the accuracy or timeliness of such valuations. Assets held by a third party are not covered by SIPC.

Option Customers: Be aware of the following: 1) Commissions and other charges related to the execution of option transactions have been included in confirmations of such transactions previously furnished to you and will be made available promptly upon request 2) You should advise us promptly of any material changes in your investment objectives or financial situation 3) Exercise assignment notices for the option contracts are allocated among customer short positions by an automated procedure which randomly selects from among all customer short option positions those contracts which are subject to exercise, including positions established on the day of assignment.

Schwab Sweep Money Funds: Includes the primary money market funds into which Free Credit Balances may be automatically invested pursuant to your Account Agreement. Schwab or an affiliate acts and receives compensation as the Investment Advisor, Transfer Agent, Shareholder Service Agent and Distributor for the Schwab Sweep Money Funds. The amount of such compensation is disclosed in the prospectus. The yield information for Schwab Sweep Money Funds is the current 7-day yield as of the statement period. Yields vary. Schwab and the Schwab Sweep Money Funds investment advisor may be voluntarily reducing a portion of a Schwab Sweep Money Fund's expenses. Without these reductions, yields would have been lower.

Securities Products and Services: Securities products and services are offered by Charles Schwab & Co., Inc., member SIPC. Securities products and services, including unswep intraday funds and net credit balances held in the brokerage accounts are not guaranteed deposits or obligations of the Sweep Bank, and are subject to investment risk, are not FDIC insured, may lose value, and are not bank guaranteed.

Short Positions: Securities sold short will be identified through an "S" in Investment Detail. The market value of these securities will be expressed as a debit and be netted against any long positions in Total Account Value.

Sweep Bank: An FDIC-insured depository institution affiliated with The Charles Schwab Corporation, at which interest-bearing Deposit Accounts

are maintained on your behalf.

General Rules for Investors: Unrealized Gain or (Loss) and Realized Gain or (Loss) sections ("Gain/Loss Section[s]") contain a gain or a loss summary of your Account. This information is not a solicitation or a recommendation to buy or sell. It may, however, be helpful for investment and tax planning strategies. Consequently, all data, including but not limited to information provided by vendors and other third parties including Investment Advisors, should be confirmed with your records and your tax advisor as Schwab accepts no responsibility for its accuracy.

Accounting Methods: The default accounting methods used in this statement are compliant with IRS accounting methods for individual investors; however, they may require special action by you and may not be appropriate for your particular filing situation.

IN CASE OF ERRORS OR DISCREPANCIES: If you find an error or discrepancy relating to your brokerage activity (other than an electronic fund transfer) you must notify us promptly, but no later than 10 days after this statement is sent or made available to you. Address Changes: If you fail to notify Schwab in writing of any change of address or phone number, you may not receive important notifications about your Account, and trading or other restrictions might be placed on your Account.

Additional Information: We are required by law to report to the Internal Revenue Service certain payments to you and credits to your Account during the calendar year. Retain this statement for income tax purposes. Schwab or an affiliate acts as the Investment Advisor, Transfer Agent, Shareholder Service Agent and Distributor for the Sweep Funds and as Transaction Services Agent for the Government Money Fund. Schwab or an affiliate is compensated by the Sweep Funds for acting in each of these capacities other than as Distributor. The amount of such compensation is disclosed in the prospectus.
